

Directions to Emilie's Quilt Haus

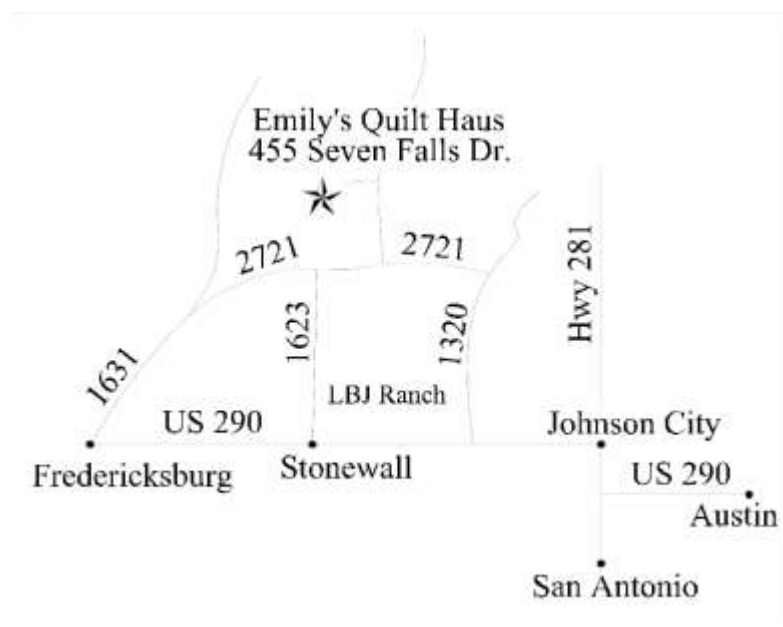

Drive to Stonewall, Tx. Turn at the Stonewall Fire Station onto FM 1623 heading North.

Drive over the Pedernales River and go approximately 3 miles to FM 2721.

Turn right (East) and drive 1.5 miles to Seven Falls Drive. Continue past the large green Seven Falls Dr. highway sign (about 1/10 mile) until you see the large rock entrance on the left. Turn left on Seven Falls Drive and drive until you see a cedar post cross fence and the number 455 (about 4/10 mile). There will be a Quilt Block sign on the hill and the number 455. Do not go up the steep hill. Make a sharp left into the driveway and drive through the gate all the way to the back. The Quilt Haus will be on the left after the old log cabin.

Just in case, we get a large amount of rain (6 – 10 inches in an hour), you may have to drive all the way to Fredericksburg and come back to Emilie's using on FM 1631 to FM 2721. This road is always open. Don't drive through water if it is over the banana bridge just north of Stonewall on 1623, go to Fredericksburg.
